BENTLEY PICTURE SHOW
Bentley picture show will reopen on Saturday evening with a program of comedy, cartoons and travel pictures.

CARD OF THANKS
Mrs. F. G. Scott wishes to thank the many friends and relatives who helped so much to lighten my sorrow, also the Eureka Lodge No. 10 A.F. & A.M. who assisted the Red Deer Lodge No. 12, G.R.A., A.F. & A.M. (of which Mr. Scott was a Brother), in the services at the church and graveside of my beloved husband.

ST. ANDREW'S UNITED CHURCH
Rev. R. B. Layton, B.D. Minister
Services at 11 a.m. and 7.30 p.m. March 25th will be observed as Anniversary Sunday. The President of Alberta Conference will preach.

MORNING
Anthem "Fling out the Banner" (Adams).
EVENING
Ladies' Trio "Abide With Me"
Mrs. Wilkes, Miss Sims, Miss Brenna Reed.
Anthem, Selected.

SPRUCVILLE NEWS
Mrs. Percy Young is confined to her bed. We hope she will not be for long.

Miss Clara Gottschlich left on Friday for Hanna Hospital where she will take up her duties as a trained nurse. Her friends wish her every success.

Mr. and Mrs. Southward visited at the home of Mr. and Mrs. Kasha on Sunday.

Some of the young people attended the Hard Times dance at the lake on Friday last.

Spruceville Hall was the scene of another good time last Wednesday night. The U.F.W.A. put on a whist drive and Leap Year dance. Winners at whist were, Ladies: Mrs. H. Magilton, first and Mrs. H. Perkins consolation. Men: Mr. T. Mackin, first; Mr. Darrow, consolation.

We are waiting the results of the Leap Year dance. Several bachelors were noticed.
Don't forget the Irish concert and dance on the 16th.

Mrs. A. Benson of Hanna, formerly Miss Gottschlich, of this district, had a very successful recital of her piano pupils. According to reports heard, it was splendid.

If you don't think Cliff Barker is on his home, come to the play on the 23rd and see for yourself.

14th. Mrs. Poundfoot will give a paper on current events and there will be a short program.
Whist! Bang! Lets go! Where?—To Spruceville Hall to see "A Mother's Love," on March 23rd at 8.30 p.m. Come young and old to see this play—the event of the season. And listen, ladies, to what I whisper in your ear! This is Leap Year, so grasp Old Opportunity by the forelock and if one won't bring you, ask another fellow who will and come to the rendezvous of real good times.

DIED
Moffat—At Kelowna, B.C., on March 8, 1928, Mrs. Joseph Moffat, (nee Annie Graham Halpin), only daughter of the late Rev. Prof. W. H. Halpin, of Trinity College, Dublin, Ireland, and sister of C. B. Halpin, of Lacombe.

"THE BIG IDEA"
A crowded house greeted the Bentley Amateurs on the presentation here on Tuesday evening of "The Big Idea," the latest play to be produced by this exceptionally strong aggregation. From start to finish the audience was kept in laughter, and the production would do credit to the average stock company show in the cities. We can add nothing to our criticisms of various characters, which was published last week, except to say that the Bentley amateurs are assured of a warm welcome in Lacombe on any future occasion.

The show will be put on at Sylvan Lake, in the near future.

AT THE COSY
Friday and Saturday
Jack Holt, in Zane Grey's story, "Man of the Forest." Another thriller from the pen of this great writer of Western stories, with plenty of comedy relief. Also special 2 reel comedy and Fox News. Children's candy matinee, Saturday at 2.30. On account of the Game on Friday night, Country Store night will be held on Saturday night.

Monday and Tuesday
Madge Bellamy in a story filled with thrills and color, "Ankles Preferred." She found out what every business girl knows—That business men, like most other men are never too busy to flirt. Also that beauty is a handicap in business to women if she means business. Added attraction, A dandy 2 reel comedy.

"Winter's Variety Store" Specials
A real wagon, complete with box, seat and brake, whiffletree and neck yoke for . . . \$95.00
Large Size Mellotte cream separator, . . . \$25.00
15 shoe Massey Harris Seed Drill, . . . \$35.00
Old Gang Plow, Bradley . . . \$25.00
3 sets team Harness; 12 horse collars; 2 stock saddles; padded saddle; Some good Mule Teams; 3, 4, 5 or 6 horse hitchers; Ranges, Furniture; Another batch of Baggage just in; Club bags, suit cases, school cases, address labels, crockery and glassware and a wonderful line of pipes and smoker's supplies.

The Barton Tailoring Co., New Spring Samples, have arrived. See our samples before ordering that Easter Suit. We can save you real money. Satisfaction and fit guaranteed. New and used goods coming and going daily. Bring in that stuff that's lying around and not used; turn it into money. If your prices are right, we can sell it. We also sell garden tool specialties, kitchen specialties, chick self feeders, etc.

EMPRESS HOTEL CHANGES HANDS
A deal of considerable size was closed this week when J. G. Connell disposed of his Empress Hotel Property to Claude Gillies of Rosetown, Sask. Mr. Gillies took possession on Monday. The new proprietor comes here highly recommended from Rosetown, where he conducted a hotel for several years with satisfaction to everyone. J. G. Connell wishes to thank the public for the liberal patronage extended to him while proprietor of the Empress, and asks a continuance of the same with his successor. Mr. Connell intends taking up residence in Lacombe, where he still has large holdings in town property and farms in the district.

MEADOWBROOK
The Tivoli Social and program which was held in the Meadowbrook School last Friday evening, under the auspices of the Ladies Aid was a wonderful success. The ladies wish to

thank the young folks of the north who kindly came down and repeated the play which they put on in the hall last Friday night.

The farmers are all dreading to see the snow go before they get all their hauling done.

Elmer Gillund is back from Sylvan Lake and is ready to saw and grind. The money Miss Henderson made from the play on Feb. 24 went to buy white paint for the interior of our school, and during the Easter holidays they hope to get it repainted.

We are very sorry to hear that Lizzie Riley has been on the sick list and we hope she will soon be out with us again.

It seems to be the style lately to buy and trade horses.

LOCKHART NEWS
Mr. Fred Schrader's sale was one of the best ever held in this district, and judging by the prices, everything brought, money must be plentiful.

Mrs. Lobman is very low at present. Her daughter, Mrs. Kuntz of Lethbridge arrived Thursday.

Mr. and Mrs. Reed were in Rimby on Tuesday.

Owing to so many dances going on in other places on Friday night, the one at Lockhart was not so well attended as usual, but a very good time was reported, and the music was great.

The Rimbey G.W.V.A. are putting on a play and dance at Lockhart on March 9th. We hope this show will be well attended, as we hear that it's good, and the proceeds go to a worthy cause.

Miss Rose Gyori is spending the week end at home.

Mr. Wyanco has a party of surveyors out surveying the ponds and creeks on his muskrat farm. He is anxious to commence fencing. This will be quite an undertaking. We wish him every success.

The ice on Bob Jaffray's pond is in fine shape now. About thirty of our young people spent Sunday afternoon skating and playing hockey.

Gus Polin was in Lacombe on Thursday.

Wood-sawing is a very popular sport (?) these days. Several big piles have been sawed this last week.

BAPTIST CHURCH NOTES
Sunday School at 11 a.m.
Bible Class at 3 p.m. Leader Mrs. Deckard.
7.30 public worship. Song service 7.15. Sermon "Four Great Things."

We shall begin on Sunday a series of special services, every night except Saturday at 7.20 p.m. The Pastor will be supported by Rev. E. G. Handell, of Canmore; Rev. G. H. Harber, of Red Deer; Rev. R. E. S. Hunt, of Stettler. Everyone is heartily invited to attend these services. A great opportunity for blessing and usefulness is presented.

CLIVE NEWS
Mr. Jim Tees bought out Mr. E. Proctor recently. Mr. Proctor and family are planning moving up into the Peace River country.

Mr. and Mrs. Glanville and family are leaving for B.C.

Bert Sharp was taken to Lacombe Hospital, where he underwent an operation and is doing as well as can be expected.

John Grose is having a sale on the 14th of March. They are going to B.C. as soon as the car roads are open again.

Oscar Westling, who had his leg injured by a runaway team in Clive, is able to get around again.

Mrs. Roy Bucknell from Haynes is visiting her folks for a week.

Mr. Hilsabeck and family moved last week into their new home on the Morrical place.

Cleaning up the West

Upper—The C.P.R. train of 14 cars carrying the record shipment of washing machines and pumps ever to be made in Canada. Lower—Plant of Healy Bros. at Fergus, Ontario. Inset—Fergus station, the special C.P.R. train to leave.

Fergus, a little Ontario town of 2,500 people is making a large contribution to the cleaning up of the West. Recently the whole community turned out to see the despatch of a special train of 35 cars, double-headed with motive power leave for the West with the largest consignment of washing machines and pumps ever to be made in Canada. There were chimes, hay carriers and leaders, but the bulk of the eleven thousand individual shipments were pumps and washing machines which had already been sold Morrison & Johnston, Ltd., Lacombe handle the Healy Line in Central Alberta.

JUNIOR HOCKEY

CALGARY TAKES TWO CHAMPIONSHIP GAMES FROM EDMONTON

It was Calgary's big night when their Midget, and Juvenile Hockey teams met the Midget and Juvenile clubs from Edmonton here on Saturday night. Both Clubs won Calgary getting the honors.

THE MIDGET GAME
The Midget teams were the first to take the ice and for a time neither team seemed to be able to make much headway. Both teams playing a defensive game. Checking was close and the defence barrier put up made it hard to get near either goal. About half way through the period, Check got through and scored the only counter of this period for Edmonton. The ice was somewhat soft in this frame which cut down the speed of the boys, but it was freezing a little and after the ice was cleaned was somewhat faster.

In the second frame both teams shared equally in the honors. Sorenson scoring for Edmonton to tie the score, and Wedman running in a counter for Edmonton put his team one up, to end the stanza.
The final session was Calgary's Eddies running in a couple of counters in as few minutes, and Edmonton tried hard to score, to force an overtime game, and how near they came to doing so, only the goal judge and Calgary goal tender know. Check got through, and with Wedman checking his pass, a shot was made on goal, the goal tender dropped to his knees, and the puck appeared to be just over the goal line, but the goal judge ruled otherwise and the referee could do nothing else but give the game to Calgary. It was a great game, and whichever team won, they are worthy holders of Alberta Midget honors. The only thing wrong was the doubt in the minds of the spectators, regarding that Edmonton shot. It was too bad that this should have happened as a doubtful goal leaves a little doubt, whether the winning team deserved the win.

THE JUVENILE GAME
The lineups was:
Goal, McClintock; Defence, Minniely, Robson; Centre, Carr; Forwards, Wedman, Lasky, Smith, Colburn.
Calgary: Goal, McKay; Defence, Watkinson, Eddies; Centre, Sorenson, Forwards, Cronie, Hallatt, Paggar, Spencer.

The ice had got fast for the Juven

ile Play Off, and both teams hit their stride early in the game, and the honors were about divided in the first stanza. Crossland looked great for Edmonton, getting through time after time. Carr and Johnson showed up for Calgary, and it was these two who made the first counter of the game after about 13 minutes of play. Doherty for Edmonton showed his stuff and missed the goal by inches several times. Both Clubs had a player as there was on the ice.

In the second frame, both teams scored a pair of tallies, Johnson scoring first for Calgary. Crossland following with a couple of counters to tie the series, only to have Johnson run in another to end the period, with Calgary one up. Goodrich the Calgary net minder played a wonderful game in this session and in the last. He was a wizard and was a great aid in giving the win to his team.

With Calgary leading by one goal, and the game drawing to a close, Edmonton started to work, and for a time looked unbeatable. Crossland, Doherty and Reid working a pretty combination, got through to the goal on several occasions, and it looked as if for all the world that a goal or a few of them were in order, but it was not to be—Fate or whatever it is that turns the breaks against one team, got going, and with aid of the goal tender caused Edmonton to lose out. It was heart-breaking the way things went, and before Edmonton could score, Carr ran in the fourth counter for Calgary, and in the final minutes of the game, Crossland scored another for Edmonton, and it looked like a last minute rally, which made the Calgary team look second rate. At no time during the last five minutes did the puck go beyond centre ice, and was in the Calgary yard most of the time, but try as they might, Edmonton could not shake the jinx or beat the Goalie, and lost what was without doubt the nearest little game seen here in a long time. Those Juveniles deserve watching, and in a few years will be doing great stuff. John McDonald, referee, and was spoken very highly of by the four teams, he was fair and one could find nothing wrong with the way he handled the game.

We were informed by the referee that the game was played under protest, Edmonton alleging that Calgary had a player over age on the line up, but it is not known whether the protest will go through to the headquarters of the A.A.H.A.
The line up was:
Edmonton: Goal, McCallum; De-

Goal, McClintock; Defence, Minniely, Robson; Centre, Carr; Forwards, Wedman, Lasky, Smith, Colburn.
Calgary: Goal, McKay; Defence, Watkinson, Eddies; Centre, Sorenson, Forwards, Cronie, Hallatt, Paggar, Spencer.

The ice had got fast for the Juven

Invited to see Montreal by the hotels and the tourist and convention bureau of the city, 75 members of the Massachusetts Hotel Men's Association spent a week-end recently there and were given a royal reception. As their president, Emil Coulson, said, "We came to sell New England to Montreal, but you have sold Montreal and Quebec province to us."

During the usually quiet immigration months of December and January the Canadian Colonization Association colonized 75 families who took up land to the extent of 22,734 acres. In 1927 the Canadian Pacific Railway, through its land department and its subsidiary (the C. P. A.) placed 2,694 families on Canadian farms, this including 626 families averaging 5 persons to the family of the Association and 1,529 families on C. P. R. lands.

The movement of British youth to Canada promises to be considerably heavier than usual, due to new arrangements made with the British Government. Ontario is taking 500 boys, Manitoba 50 and the Maritime Provinces and Saskatchewan an indeterminate number, while some hundreds are to be moved by private organizations. In all it is estimated some 2,000 boys will probably be brought out under the new scheme this summer.

Another body of sportsmen are finding Montreal and Eastern Canada good places in winter as well as summer. The Appalachian Mountain Club, of Boston, picked the best period of the winter season to spend a week in the Laurentians mainly devoted to skiing, but with sleighing, dog-mushing and tobogganing thrown in. It was the first time they had ever visited this district in winter and they are going to repeat it.

Reignition of Colonel Walter Macdonald as Canadian Pacific Steamship Passenger Traffic Manager has been followed by the appointment of William Baird, as his assistant European Manager of the Canadian Pacific Railway in London. Eng. Mr. Baird's junior appointment is effective March 1, joined the Allan Line steamship company at Glasgow, and came into C. P. service when that company took over the Allan Line in 1916.

Bee keeping in Saskatchewan made marked progress in 1927, there being an increase of 45 per cent in the number of colonies over those of 1926 and an increase of 191 per cent in the 1927 honey crop over that of the previous year. The number of spring colonies in 1927 was 3,800, which increased to 5,562 by the fall count. The production of comb honey for the year was 64,042 pounds and of extracted honey 416,932 pounds, making an average production per colony of 148½ pounds.

Airplanes are now being used to herd vast numbers of reindeer in the big Arctic stock farms, according to Ralph Lomen, manager of the reindeer industry of Alaska. "It's a new idea and it's not being practiced regularly, but herding 12 or 15 planes seem feasible," said Mr. Lomen. "Our head reindeerman went out recently and in 10 days he herded 100 reindeer in the northern tundra of Canada and such a herd would be worth \$50,000.00. It could be done in 50 years if Canada started now in a modest way."

BROOKFIELD NEWS

Mr. W. MacKilroy is moving onto the old Ellis farm.

Several of the neighbors have been helping Mr. Crawford move across the river. We are sorry to lose such a good neighbor.

Mr. C. S. Spier took a load of hogs to Lacombe on Friday.

Mr. John Morton has a heavy cold in his chest, caused from hunting coyotes with Mr. Gauld. If he had stayed longer, he might have got the coyote. Mr. Gauld said. As it is, Mr. Gauld has one more pelt to add to his store.

Messrs. Richard and Ernest Owens are guests at the home of Mrs. Ross.

Mr. Isaac Lowe has lost his dog, "Boudan." If anyone should see him, please let Mr. Lowe know.

Mr. Wm. Richardson is preparing his outfit to go sawing. Some of his patrons will be glad to see him, as in some cases the wood piles are exceedingly low. We hope Bill will not follow the example of the Irishman who, when he was sawing wood cut off his finger and when asked how he did it, he said, "Oh, I just went like that—Oh, there goes another."

LOCKHART NEWS

Mr. Wyandott and sons, well known for years have travelled all over the west looking for a suitable place to establish a fur farm, and have at last found an ideal place—Lockhart.

They bought several tracts of land, including John Erickson's farm, part of Alex Metro's place and one of John Holman's quarters, besides leasing all the sloughs and lakes in the district. Western wine and poets have already been ordered so the fencing can start as soon as the frost is out of the ground. We wish Mr. Wyandott every success and extend a welcome to him to our district.

Mr. G. H. Beddoes is hauling hay from the Blinnham Valley.

One person left last Wednesday for the United States.

Mr. and Mrs. Fred Schrader had a pleasant surprise last Friday night, when their old neighbors and friends came in to spend the evening. Mr. and Mrs. Schrader are the oldest settlers in this district and we regret to see them leave, but hope they will be happy in their new home.

There was quite a little excitement in the valley last Friday morning, when Grover Robson's straw pile caught fire. The neighbors were called in by telephone, and hauled out the grain that was in the granaries near the stack, then moved away the granaries. One always learns from experience—now Mr. Robson says, "Never again will I put my strawpile against my outbuildings." The origin of the fire is unknown.

TENDERS FOR BASEMENT

Sealed tenders will be received by the undersigned up to March 31st, for the excavating and finishing of basement under Birch Lake School House. All information and specifications may be received from J. W. May, Sec. Treas., Clive Alberta.

Keeping Physically Fit in Mid-Ocean

A gymnasium on board an ocean liner is no longer a novelty. The floating palaces of today which cross the mighty oceans between Canada and the United States, and between the continents, are the best hotels. There are hotels in this country that can invite their guests to baths in private swimming pools, but the liner can offer the busy man or woman the use of a gymnasium. "How to keep fit at sea?" Board one of the Empress "White Empress" boats for the Orient from Vancouver, or close from Quebec to Southampton by an "Empress of the Atlantic". These liners have gymnasiums on board, and you will have no reason to fear the consequences of a period of enforced leisure. On the Pacific the "Empress of Canada", "Empress of Asia" and "Empress of Russia", have gymnasiums which are in all respects like those of the three Atlantic Empresses. Spacious rooms, with excellent ventilation, and fitted with the latest equipment for almost every phase of athletic exercise. In addition, the Empress of Canada and the Empress of Australia have swimming pools, which are in the first rank of those to be found on board sea-going ships.

The apparatus with which the gymnasiums of the ships of the Canadian Pacific line are fitted is varied and diverting. The "horse" and the "camel" are perhaps the most popular among the machines. When travelling on the "Empress of Australia" and the "Empress of Scotland" to and from Canada this summer the Prince of Wales rode many imaginary miles on the comfortable back of the "horse" and also on the "camel". These beasts are electrically controlled, and when the current is switched on the "horse" will gallop as fast as a real horse, and the "camel" will move as slowly as a real camel.

horses in motion, and gives the rider a real and pleasant sensation of horse-back riding. The speed can be increased from a walk to a trot, from a trot to a canter, and from a canter to a gallop, but the "horse" is always a gentle beast and never throws his rider. The "camel" machine is as popular as the "horse". The "camel" functions in a similar manner to the horse, but performs the rolling motion peculiar to the "ships of the Sahara". The "camel" usually works overtime when the Round the World and Mediterranean Cruise Empresses are nearing Egypt, the ladies, especially being anxious to acclimatize themselves to riding on the hump of a camel.

There are bicycle machines in the gymnasium of the Empresses. These are fitted with dials which record distances travelled up to 500 metres. Bicycles are placed side by side, which offers the possibilities of racing competitions.

Rowing machines, pulley machines, which test the strength and develop the muscles, are amongst the apparatus with which the gymnasiums are equipped, and boxing gloves, medicine-balls, punch-balls, foils, single-sticks, and Indian clubs, provide boxers, fencers, and Indian club artists amongst the passengers with every opportunity of indulging in their favorite pastimes.

The gymnasiums themselves are spacious rooms, well ventilated, and fitted with electric fans which help to keep the air always fresh. During certain hours the rooms are reserved for the exclusive use of the lady passengers.

A physical instructor is on duty in the gymnasiums during the regular hours. He instructs passengers in the use of the machines, and during the longer voyages and winter cruises made by the Empresses, courses for physical exercises are frequently held.

Our Hockey Team's Enviably Record

CANMORE WINS PLAYOFF FROM LACOMBE 6 TO 3 IN SERIES

In the first game of the playoff series with Canmore, held in the Lacombe arena last Thursday, the score was tied 2 to 2. The game played here was fast, but owing to sticky ice was not as fast as the fans expected.

It was a great game that was played in the Canmore arena last Saturday night. Although the local team were defeated, they put up the best game that was played in Canmore for years. And believe us they were in the game right from the first gong till the curtain dropped for the last time. The Lacombe boys should be proud of themselves for the wonderful game they put up, and the Lacombe fans should be none the less proud of the team, and although they lost the series, they played against a great team and Canmore fans say that it was the hardest fought contest they had seen in years. The Canmore fans were great sports, and cheered both teams impartially, and the Canmore hockey boys were the best of sports all through the entire 60 minutes.

Harry Scott, of the Calgary Albertan accompanied the Lacombe and has the following to say of the game: Lacombe, intermediate provincial champions, trotted out a nifty array of puck-chasers against the senior champions, who never gave up trying. The one-sided score is not a fair indication of the play. Canmore had the breaks, and while they deserved the triumph and are perhaps the better hockey machine, it wasn't until the third period that they demonstrated their superiority.

It was anyone's game in the first two sessions, and a break or two for Lacombe might have swung the decision in their favor. Their shooting was from outside the blue line and was rather erratic. Outside of this they held their own with Canmore in territory play.

Wonderful Losses
In all our experience in hockey it is doubtful if we ever saw a better losing team than Lacombe. They took their defeat in the best of spirits, like real sportsmen, and were among the first to congratulate Canmore and wish them the best of luck against Trail. That was the sportsmanship that prevailed during the thrilling 60 minutes of hockey that was witnessed and enjoyed by a capacity crowd, some of whom were hanging on the rafters.

Lacombe had a better offensive system than Canmore, as they passed the puck, while the Miners relied chiefly on their individual efforts. Being wizards in stick handling and shooting right on the net, the Miners got the decision. With the best of feeling prevailing between the players, all realizing that hockey is played on the ice, and not in the penalty box, the game was free from roughness. Penalties imposed by Referee Frank McKay of Okotoks, who made a good job of handling the game, were for minor offences.

Good Fans Too
The crowd which included fans from Canmore, Lacombe, Banff, Exshaw Morley and other neighboring towns, were equally divided in their appreciation, judging by the show of hands and liberal cheering for each and every play, whether by a Canmore or Lacombe player.

Canmore scored the only goal of the initial period, Frank Jerwa notching from A. Jerwa's pass in 12 minutes. Steele, E. Calkins and F. Jerwa drew penalties in this period. Lacombe had a glorious chance to equalize, but Burke missed the open net. Brilliant saves were made by Watt, when Blaskin and Silvon were in close.

Lacombe equalized after seven minutes of play in the second period, Burke taking a pass from Day to beat Riva. Five minutes later Canmore made it 2-1 when Silvon scored from Wright's rebound. Watt was a trifle slow in his attempt to clear. Lacombe made gallant efforts to score, and on two occasions were unfortunate, as the puck hit Goalkeeper Riva when he didn't see it coming. D. Mackie, E. Calkins, Silvon, Van Wasenhouse and Steel drew penalties in this period.

Deciding Factor
The break in the game for Canmore and against Lacombe happened 14 minutes after the start of third period. Wright drove a shot from far out on the left side and the puck was in the corner of the net without Watt seeing it. This gave Canmore more confidence, while Lacombe had to disorganize their system by putting all but Steele and Watt into the attack. Silvon broke away and with only the goalkeeper to beat, he cleverly pulled him out and put the game and series on ice.

That plucky, constant Lacombe sextet never stopped trying, but Canmore never let their defense and back them out. Blaskin and Burke were penalized this session.

Well, fans, even the best teams lose sometimes. The Lacombe team played a real, honest-to-goodness, fast game, and were beaten fairly and go as far as the Lacombe team has gone this season is something worthy of the highest possible praise. They are the intermediate champions and this makes the second time in succession. The boys, though they were

anxious to beat the southern team, are glorious in defeat.

The Canmore boys are a real bunch of sportsmen, and we feel sure that had we won the series from them, they would have been the first to come and shake with the Lacombe boys. The Canmore fans were a real enthusiastic bunch, and gave applause where applause was due and there is no team in Alberta that the Lacombe team would rather lose to than Canmore. Canmore is now playing a two game series at Trail B.C., and they have the very best wishes of Lacombe, for success in that playoff. The Canmore people have a hockey team to be proud of.

Lineup of teams:
Lacombe—Goal, H. Watt; Defence, Steele and Burke; forwards, Day, L. Calkins, E. Calkins. Subs: Van Wasenhouse, Edmunds.
Canmore—Goal, Riva; defence, J. Blaskin and Joe Jerwa; forwards, Wright, Mackie, Silvon. Subs: F. Jerwa, A. Jerwa.

Referee: F. McKay, Okotoks.
To go into the Allan cup series is something to be proud of. Pop Steele pilot of the local team deserves a big hand from the hockey fans for his able generalship. He says that next year he will pilot them right through to the coast, and we all feel sure he can. Every member of the Lacombe team is an out and out hockey player and a sport too. No better team ever represented Central Alberta in a playoff and Central Alberta is proud of them.

The highest possible praise is coming to Manager George Sheets for his able and efficient management of the team. George is a real manager, and deserves a great deal of credit for the success of the team this winter. He made all arrangements and worked like a trojan with the team and for the team right from his nomination. George is the right man in the right place. "Bill" McWalter, our worthy Secretary saw handled his part of the program to perfection, and also deserves a big bunch of credit. Francis Buch, our trainer, certainly kept the boys in good condition and it was largely through his efforts that Lacombe reach the top this season. In fact, every official every player, every fan and everyone who had anything to do with the team deserve a share of the team's fame. Manager Dumphy of the rink, gave the boys more than an even break, and did his bit to help the cause along.

The Lacombe team will play on the local arena on Saturday with Red Deer, so turn out and yell for them. Turn out and show them that you are still with them to the finish. It sure helps them a lot.

Would You Like To Get Away From Ashes, Smoke, Soot and Dirt This Winter?
IF SO, BURN—

PETROLEUM COKE
It goes further than the best soft coal and, therefore, cuts the cost of heating your home from 35 p.c. to 50 p.c. It is crude oil with the gasoline removed. It contains absolutely no ash or other waste. It does not slack in your bin like coal. It is clean—no smoke; no soot; no dirt. It is easy to fire and easy to learn to fire. It is burned instead of coal or wood in any stove or furnace. It is large, lumpy and bright. It saves you money with less work, worry and attention in firing. Do not confuse Petroleum Coke with coal coke which contains ash. Resolve to get away from the daily ash-pan this winter. Burn something that will turn coal-drography into a pleasant experience.

Come to the SPRING SALON of the NEW OLDSMOBILE SIX

THE spirit of to-morrow is in its swag air . . . in its lines, in its luxury and in its comfort. The spirit of to-morrow is in its engineering . . . engineering proved by more than a million miles of testing . . . engineering that automotive critics pronounce two years ahead. Engineering that reveals new quietness and smoothness. Engineering that achieves new driving ease and enjoyment. Engineering that gives you speed . . . just drive this new Oldsmobile. Drop into your Oldsmobile dealer's and inspect this new car. View the new bodies by Fisher artist-engineers. Learn about the new, larger high compression engine developing 55 H.P., the innumerable new chassis features, the all-steel interior, the many other factors of enjoyability and thorough satisfaction that have heretofore identified high priced cars. Above all drive it. Then you will know, as only driving can tell you, that this new Oldsmobile is indeed two years ahead of the Fine Car of Low Price.

at granary. Apply Kauffman Bros. hundred. E. Ochs, Morningdale.

Board of Trade

ALFALFA EXPERT SPEAKS

Don Bark Outlines Alfalfa Possibilities in Lacombe District

Speaking under the auspices of the Lacombe Board of Trade, Don Bark of the Canadian Pacific Demonstration Station, Brook, Alberta, painted a rosy picture of the possibilities of alfalfa production in Central Alberta. Very few of the audience were aware that Mr. Bark owns a farm in the Canyon district, Lacombe, and that he has 50 acres of this farm seeded with alfalfa. Mr. Bark stated he made more money from this farm than from his two other farms in other parts of the province. He intimated he believed alfalfa could be grown and heled in the stack for \$5.00 per ton in the Lacombe district. On checking up this claim with the data available at the Experimental Farm, we find that they agree fairly closely. The average cost of producing a ton of alfalfa at this institution during the past four years is \$6.47, which includes land rent, cost of harvesting and placing the crop in stack. Truly alfalfa is a wonderful forage crop.

Mr. Bark stated that the acreage of alfalfa grown in Alberta had increased thirty-five fold during the last ten years. It is regrettable that more of this increase did not occur in this district since it is so well suited to production of this crop. In closing, Mr. Bark referred his audience to the Experimental Station for information concerning the cultural methods available in producing this crop, stating that his experience had been largely associated with growing the crop under irrigation, while the Experimental Station, Lacombe, had been growing alfalfa successfully a number of years from seed produced by the Alberta Alfalfa Seed Growers' Association of Brooks, Alberta.

Board of Trade Banquet

Covers were laid for around two hundred people at the Board of Trade banquet given in the Church Hall on Saturday evening. The guest of honor being Mr. D. H. Bark, Superintendent of Experimental and Investigation Branch of the C.P.R. of Brooks, Alberta.

The tables were tastefully decorated with lilies, pussy willows and red candles, and the supper provided by the Ladies' Guild of St. Andrew's Church was indeed a sumptuous one. God Save the King was sung in response to the toast to the King, and then Mr. E. H. Jones, who presided as chairman, called upon Mayor G. T. Jackson to address the gathering. Mr. Jackson mentioned the beginnings of the Board of Trade, which he traced to their inception in the fourteenth century.

Speaking at length upon the exhibit, he sent to Edmonton he said it had brought great honor to Lacombe and district, and it displayed the best grains, grasses, fruits, etc., that were shown. This district was also famous for many other things. Butter from the Lacombe Creamery is shipped to all large points between Quebec and Vancouver; and of the contingent of men sent under the auspices of the C.P.R. Colonization Dept. to Denmark and other countries to study foreign marketing systems, the largest number from any one district in the Dominion went from Lacombe, these being Wm. Sharpe, John Ellis, John McKenzie, Marshall Douglas.

Mr. G. E. DeLong, in proposing a toast to the exhibit, said it was one thing which should have the backing and interest of everyone in the district, as the resulting advertising would bring more people to settle around Lacombe; Mr. Henry Trane felt that without the assistance of the ladies who furnished a great amount of canned fruit and vegetables, it would have been impossible to carry out the exhibit.

In a toast to the musicians, Mr. N. Woody claimed there is wonderful all in Lacombe, many of our musicians having the right to have a card of honor from the Grand A.C.M. of A.M., as well as Bachelor of Music. Some pupils are showing remarkable proficiency, and while he did not wish to pick out any special one, Mr. Woody said he could not refrain from mentioning the remarkable performance of Miss Myrtle Cochran, who brought home the Cup and Shield from Calgary last year. Also Prof. Touche, who has developed a wonderful musical interest in the town. Prof. Touche in replying, said among other things that Miss Cochran would be going to Lethbridge this year to compete in a higher class.

Mr. P. W. Pratt spoke for the curlers with particular mention of the comfortable rink and good ice which are enjoyed by some sixty members, and also of the trophies which have been brought home from bonspiel, bringing honor to Lacombe and credit to the players, themselves.

Mr. Tom Lormier, who replied, said he was glad to have a hand in bringing home some of the spoils. The secret of success he says, is in knowing each other well, with a curling or other matter.

The secretary of the Hockey Club, Dr. J. S. Irving, next proposed a toast individually and collectively to the Lacombe Hockey Boys. Hockey is Canada's National Sport and our club can take its place and be rated as one of the best in the country. During their five years' connection with the Big Four League, Lacombe has been successful three years in getting first place.

Barney Halpin, acting as Secretary and "Shock Absorber" for the Midgets said he enjoyed being with the boys and appreciated the help given by the

citizens in furnishing cars for outside trips; he hopes to produce better results with his team next year.

Hockey is the most injurious for girls than other sports in which they indulge, said Mr. H. E. Wilson, Manager of the Girl's Hockey Team. There are no serious accidents, they are brought to meet other girls which broadens their outlook and helps to make them good losers, which may prove of invaluable help to them in later years.

"Alberta," said Mr. D. H. Bark, when called upon by the chairman, "can grow any of the crops of thousands of people. All we need is organization and publicity to get our just quota. Coal is the mother of all industry in the Old Country and Alberta has 72 per cent of all coal contained in the British Empire. Every Town should have a strong Board of Trade, and then combine their forces to get immigrants to settle in these districts. He urged that men and women on the farms make their homes more attractive by the planting of trees, shrubs, making lawns and gardens, and putting up fences.

In speaking of our boys and girls, Rev. R. B. Layton, mentioned the two boys, Arthur Kries and Henry Macdonald, who won so many trophies at Calgary, the past year; also of the two girls who secured a favorable place at the same convention, and said he would like to see the teaching of agricultural subjects more popular in our schools.

Responding to this toast, Mr. W. R. Barker, trainer of the boys, outlined the different competitions in which his team of boys demonstrated. He suggested organizing for local competitions, an interesting feature of the evening was an exhibit of the various ups and trophies won by Lacombe.

C. P. R. DANCE AT RED DEER. Preparations are well under way for the Canadian Pacific Employees Seventh Annual Dance, to be held in the Armouries, Red Deer, Friday, March 16th. It is expected the dance will be well attended this year. The Palliser Hotel Orchestra has accepted an engagement for this occasion. The C.P.R. employees at Red Deer are looking forward to meeting many friends on March 16th. The usual liberal patronage on the part of the people of Red Deer and Red Deer rural districts can be counted on to make the evening a success.

The C.P.R. Social Clubs in Edmonton and Calgary may arrange for extra coaches to be put on the afternoon train. Definite advice was received in Red Deer today from the District Passenger Agent of the Company that an extra Standard Sleeper will be placed at Red Deer at 9:30 p.m. March 16th and leave on Train No. 222, May 17th at 3:50 a.m. for the accommodation of those who attend the dance from points between Red Deer and Calgary.

As previously announced, the Kelly Electric Company will decorate the Armouries.

The personnel of the Palliser Hotel Orchestra is as follows: Frank Henderson, Musical Director, Violinist; James Holden, Pianist recently of New York; George Macdonald, Banjoist, late of Imperial Band, Milan Italy.

Thomas Skelchey, Trombone Soloist, formerly leader of Highlanders' Band, recently of Regina.

Bill Adams, Drums and Singer of Captain Plunkett's Dumbells.

Frank McMurtry, Trumpet.

Canadian Pacific patrons are recommended that parties of ten or more may avail themselves of the usual special rate of one and one-half times the regular single fare for the return trip.

See the great comedy on Friday and Saturday. It is a good one.

"Nevada" the latest Zane Grey story to be filmed at Lacombe, is a Montana ranch. Gary Cooper is the star. While he is a product of the new West he has been playing hero roles reminiscent of the West of from ten days ago this morning in the saddle is one of the main reasons for his starring contract with Paramount.

Free Matinee for children under 14 years of age on Saturday afternoon at 2:30. Come on kiddies, let's all be there.

Six prizes given away on Friday.

Special Music Friday—Old Time music. It will be good.

ENJOYABLE EVENT. A very fine program was enjoyed by the large crowd that attended the social evening put on by the men of St. Andrew's United Church on Wednesday night. This gathering was the result of a challenge laid down to the men to put on a social without the assistance of the fair sex. The men took up the challenge, set the date for Feb. 29th, and the entertainment and lunch provided fully demonstrated the ability of the men to rise to the occasion, although it must be admitted that the ladies had a fair share in the program which was as follows:

Miss Helen Barbour, piano solo; Margaret Allwinckle, Reading; Mr. Cameron, Fanciful Reading; Mr. D. Cameron, vocal solo; Mr. D. Calder, vocal solo; Mr. T. Wilkes, vocal solo; Jimmie McDonald, violin solo; Miss Johnson, Reading; Miss H. Barbour, vocal solo; Rev. R. B. Layton, address; Presentation to Mr. and Mrs. D. Calder; Miss M. Cochran, violin solo.

While the program was a splendid one all through, special mention must be made of Miss Cochran, who brought back twice before the crowd was satisfied; also of Mr. T. Wilkes, who made a decided hit with his comic representations.

Mrs. Layton read the address to the men of the church, and Mr. D. Glenou made the presentation, while that from the choir to Mr. Calder was read by Prof. Touche, both expressive of the good wishes of the congregation to Mr. and Mrs. Calder who are shortly removing from Lacombe to Edmonton. A hearty vote of thanks was given to the men for the very enjoyable evening, which was acknowledged by Prof. Touche, as "Chief cook and bottle waiter."
